school

INT.SCHOOL CLASS ROOM -DAY

Plain class room, kids text under desk, sun rising from window to desks, teacher on board. silent chalk on board sound

Surrounded by his classmates all looking at him with great attention, wearing brand name gear,

As camera zooms into crowd see him talking

COLIN

so ya my parents are a away for the weekend.so im throwing a huge party at my house everybody's invited just one RULE no one can have too much drinking

Crowd cheers in happiness

Pan over to con's table

Sitting in seat not paying any attention to them until cheers glances over then continues to write notes.

CON

(staring over at lance)
Great Colin's having another great party you gonna go?

SIMEON

Ummmm let let think about it...yes!! come man the hot girls the pool and dont forget about the girls.so are you coming or are you gonna go home and be a loser.

CON

Shut up no im going i just want to know whose going thats all, so i can spot who i want to try to talk to.

SIMEON

Not try,you are okay so this is what is going to happen im we spot that lucky lady of yours and ill be your wingman ill talk you up then ill get a surprise phone call sounds good?

CON

Ya sounds good but what if she isnt
in to me?

SIMEON

Then dont try to get her attention
and look for someone else. Remember
im going to be there with you so
nothing can go wrong.

CON

Alright we'll meet up at your house
at seven. Get ready and then head
out.

SIMEON

Sounds like a plan of success.

They turn around to get some stuff from each other's back
pack as they turn around con has a red dot starts to rise to
con's forehead. Simeon spots the dot laughing.

SIMEON

(laughing)

looks like you got a problem
already before the party.

CON

What do you mean?

Simeon reaches into his back pack to get a mirror.

SIMEON

Here look at your forehead.it sure
is red.

CON

Wait a minute.. why do you have a
mirror? what kind of gu--

SIMEON

The kind of guy that's helping you
now are you going to pop that
already or should i just let you go
to the party like that.

CON

Let me see (surprised)what the
thats not a pimple)

He jumps out of his chair into a view where the sniper can
not see him at the same time glass shatters, everyone in the
room gets on the ground scared.

CON
everyone stay on the ground

As this happens the students start to type on their cellphones, the teacher runs toward the door the sniper shoot off two shots one on the chest then the other to the left shoulder turning her around.

SIMEON
What the fuck man this is like that shit you see in the movies a guy is shooting at us!!?!

CON
Calm down

Con grabs him shaking him into his right mind.
